Retired certifications and recommended alternatives

If your certification has already been retired before April 2024, your certification status will expire by March 31, 2025. Take an alternative certification exam before your existing certification expires to maintain your certified status. Recommendations show closest alternative options based on the evolving SAP portfolio. You can also explore the [SAP Certification portfolio](#) if you are interested to certify in other SAP solutions.

*Certification relevant for SAP Partner Competency Framework/Product Authorizations.
